I-564 LANE CLOSURES SCHEDULED OCTOBER 16-20 *- Closures part of I-564 Intermodal Connector Project -*

NORFOLK – Temporary lane closures have been scheduled on I-564 east and west beginning Monday, Oct. 16, through Friday, Oct. 20, for construction activities relating to the I-564 Intermodal Connector Project. The lane closures will extend approximately one-half mile between I-564 Chambers Airfield Tunnel at Naval Air Station Norfolk to the I-564/SR 406/Terminal Blvd-Hampton Blvd. exit. Closures will occur as scheduled unless delayed by weather or other factors.

Lane closures are as follows:

I-564 East

Oct. 17-18, 12 a.m. to noon, Dual right lane closures

I-564 West

Oct. 16-20, 9:30 a.m. to 6:30 p.m., Single right lane/right shoulder closure

Motorists should be alert for lane closures and alternate routes prior to traveling in the work zones. Motorists are encouraged to visit 511virginia.org, virginiaroads.org, call 511, download Virginia's free 511 mobile app, listen to Highway Advisory Radio (HAR) 1680 AM, or call the Traffic Information Line at 757-361-3016 for the most current traffic and travel information.

The I-564 Intermodal Connector will connect the existing I-564 through Naval Station Norfolk and to Norfolk International Terminals, part of the Port of Virginia. The new high-speed roadway is expected to decrease congestion, redirect heavy truck traffic from Norfolk city streets, and provide improved access for the 80,000 vehicles entering and exiting the Navy base every day.

For more information on the I-564 Intermodal Connector, please visit www.I564intermodal.com.
